Subject: TalkBack! issue #3

TalkBack! A Forum for Critical Discourse (<http://talkback.lehman.cuny.edu/tb>) announces its first-anniversary issue: Community/Virtual Community.

Done Internet

The organization...

- has ArtBase (an archive with 2000+ works), a commissioning program, a conservation department, an active editorial section, featuring articles, projects and discussions;
- circulates community announcements and job postings and hosts public events;
- expanded the scope of its commissions from projects existing only online to those involving live performance, video, installation and sound art. (2008)
